If all plans go as planned the Ridge Chapter will hold a public forum on Hibiscus on March 19th at 7:30 p.m. The meeting will be in the Leisure Room of Tampa Electric Company in Winter Haven. Refreshments will be served after the meeting.

Publicity will be obtained and the public will be asked to come out and hear an authority on Hibiscus. Plenty of time will be available to ask any questions about Hibiscus.

All of our readers are invited to come and enjoy this meeting with the Ridge Chapter.

Walker Lyon tells us that there have been very few suggestions turned in to him. At each show of last season one could hear what was wrong with shows and judging etc. One could hear what to do about it too. Now if these same people who were talking then would just sit down and write a letter to Walker and tell him what they think and what they want then he can get his committee to work and come up with a few suggestions for the annual meeting.

If he gets no suggestions it will be assumed that the Show and Judging Rules are just right the way they are written now. In case you have forgotten his address, here tis. Mr. Walker Lyon

The sportsman went to a hunting lodge and bagged a record number of birds with the help of a dog name- "Salesman."

The following year, the man wrote the lodge again for reservations, requesting the same dog "Salesman."

As soon as he arrived at the lodge, he asked the handler if "Salesman" was to hunt.

"Hound ain't no durn good now," the handler said.

"What happened," cried the man. "Was he injured?"

"Nope! Some fool came down here and called him 'Sales Manager' all week. Now all he does is sit on his tail and bark."
